The method as well is deemed allowable due to the limitation as defined for achieving a specified resistivity value for the single crystal silicon material. Please see attorney's remarks of 2/8/08 as well the affidavit filed 9/18/07 in conjunction with the initial set of remarks submitted on 10/22/07 for further information.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
